

In the Hearts of You and Me

a tribute to the MMIWG2S

May we never forget our lost and stolen sisters. May their families find justice. May their families find peace.

May we never forget the thousands of Indigenous women, girls and men who are missing and who have been murdered. May their beauty live forever, in the hearts of you and me.

If you feel it in your heart to sing the chant
 Ground yourself
 knowing that your voice
 will represent and hold space
 for the spirits of murdered and missing people
