

Never No More

COMMON THREAD CHORUS
58 CECIL ST.
TORONTO, ON M5T 1N6

I wan-dered down to wa-ter's edge
down to the churn-in' sea
I called out to the ship of state
but they would not hear me.
I begged for guid-ance 'or the waves
I gave my trust in vain.

Nev-er no more
Nev-er no more
Nev-er no more a-gain

I passed my sis-ter's house and home
I found her there in tears.
She'd hoped for more than rhe-tor-ic
to help her through her fears.
Her sta-tis choked, her spir-it broke
For want of e-equal wage.

I walked up to my neigh-bour's farm
his life and love he claimed.
When im-ports un-der cut by half
I heard my neigh-bour say
They pro-mised bet-ter days a-head
The bas-tards lied a-gain.

We fal-tered not at Chrys-ler's farm
Held ground at Lun-dy's lane.
And how brave tars fought bold and hard
in North At-lan-tic fray.
And now they think we have no fight,
no pride, no hope, no shame.

Though pro-mis-es may fall like leaves
on guard we shall re-main.
We walk, we run, we rise, we fall,
we stand by our good name.
For if our rights are put at risk
all lea-ders run from blame.

Never No More Again
